

Wallingford's, Inc.[®], a leader in logging supplies and traction products, has served its industry for 30 years. The catalog cover displays flags of the brands we have proudly built our success around. Our new World Headquarters building has allowed the sales and customer service teams to work more efficiently and better serve you, the valued customer.

To learn more about becoming a Wallingford's Inc. dealer, contact a customer service representative or apply online at wallingfords.com.
